

### **Wilmslow Prep's Easter Bonnet Parade**

The Kindergarten and Reception pupils at Wilmslow Preparatory School recently donned their home-made Easter bonnets in celebration of the upcoming springtime holiday.

The children got creative and brought in their seasonal bonnets, which featured a number of mini Easter eggs, chicks and even a few bunny rabbits. They then showed off their creations to their parents in a special assembly, which also saw them sing Easter songs before having afternoon snacks and drinks.

Headteacher, Helen Rigby, commented, "The children had a wonderful time modelling their bonnets and there certainly were some very creative efforts by all of the children. Not only was this a great occasion for the mums and dads, it was also a lovely opportunity for the children to showcase their abilities and embrace the new season too."
