

Wilmslow Prep 2013 Calendars

Thank you to everyone who has already purchased the 2013 calendar. We still have some stock available so if you haven't yet seen a copy take a look at the sample on the coffee table in the entrance hall at school.

Most of your daughters will appear on 3 or 4 months throughout the year and for those who sponsored a birthday their first name and form has been printed on their special day in 2013.

To purchase a copy either use the order form below or they can also be purchased on Monday 10th and Wednesday 12th at morning drop off.

The calendar has been produced by the Parents' Committee and all proceeds go towards PC funds which are used to provide additional activities and equipment for WPS girls.

Thank you once again for your support!
